Letter of Experience

To Whom It May Concern,

I am pleased to provide this letter of experience for Mr. Arham Ahmad who volunteered as a **TCF Baghbaan Youth Ambassador** for The Citizens Foundation (TCF) in UAE from October 10, 2025, till December 31 2025.

In his role as a TCF Baghbaan Youth Ambassador, Mr. Ahmad demonstrated commitment and passion for advancing the cause of quality education for less-privileged children. He devoted his time and efforts to effectively raise awareness about TCF's mission and actively engaged his personal network to garner support through donations. Mr. Ahmad successfully raised **AED 13,567**, contributing to the education of **approximately 22 deserving children for an entire year**. Moreover, due to contributions made on the Benevity website, an additional USD 250 was matched by the platform.

The Citizens Foundation (TCF) is a professionally managed non-profit organization that builds and operates formal schools in the urban slums and rural areas of Pakistan. Since its inception in 1996, TCF has established **2,261 school units** across Pakistan where children were previously out-of-school. Currently, TCF has an enrolment **320,000 deserving students**, nearly half (48%) of whom are girls. In UAE, TCF is registered with Dubai Humanitarian (formerly known as IHC) in Dubai.

We wish him the best of luck in his future endeavors.

Sincerely

Wajiha Bari
